

Course Sequencing

Most students complete the prerequisites for the social work program their first two years. They then take major courses during their junior and senior years. A typical sequence of courses is as follows:

FALL		SPRING
<u>1st year</u>	Psychology 101	Sociology 101
<u>2nd year</u>	Anthropology 102	Biology 111 ¹
<u>3rd year</u>	HBSE (SOCW 245) Social Policy I (SOCW 250) Statistics (STAT 233) ² Research Methods (SOCW 232) [‡]	Social Work Practice I (SOCW 360) Social Policy II (SOCW 350) Statistics (STAT 233) ²
	←————→	
	(One (4 cr.) Sociology or Social Work elective)*	
<u>4th year</u>	Social Work Practice II (SOCW 460) Field Experience I (SOCW 475) Field Seminar I (SOCW 485) Capstone Proposal (SOCW 498) (1 cr.)	Social Work Practice III (SOCW 465) Field Experience II (SOCW 476) Field Seminar II (SOCW 486) Capstone Seminar (SOCW 499) (3 cr.)

Course Sequencing Running Start/Transfer

If you are a student with Running Start, with a Direct Transfer Agreement (DTA) you will need to satisfy the following course equivalents for these prerequisites:

PSYCHOLOGY 101 **SOCIOLOGY 101** **BIOLOGY 111** **ANTHROPOLOGY 102**

For transfer/Running Start students wishing to complete the program in two years (assuming that most liberal arts prerequisites have been met), this is a typical course plan:

FALL		SPRING
<u>3rd year</u>	Social Policy I (SOCW 250) HBSE (SOCW 245) Research Methods (SOCW 232) [‡]	Social Work Practice I (SOCW 360) Social Policy II (SOCW 350) Statistics (STAT 233)
	(One (4 cr.) Sociology or Social Work elective)*	
<u>4th year</u>	Social Work Practice II (SOCW 460) Field Experience I (SOCW 475) Field Seminar I (SOCW 485) Capstone Proposal (SOCW 498) (1 cr.)	Social Work Practice III (SOCW 465) Field Experience II (SOCW 476) Field Seminar II (SOCW 486) Capstone Seminar (SOCW 499) (3 cr.)

*You may take the sociology or social work elective in any semester where your schedule permits.

¹Biology 111 needs to be completed prior to graduation. This course is offered once every two years in the spring semester in odd numbered years (2021, 2023, etc.).

²The Sociology section of Statistics may be taken in any semester. SOCW 232 (or SOCI 232) and SOCI/STAT (233) need to be completed before the student enters field placement. Research Methods and Statistics may also be taken in the second year.

[‡] Can be taken as SOCI 232 as offered.
