Now that you have submitted your tuition deposit, you’re ready to take the next exciting steps - registering for class and deciding where you will live while attending PLU! This brochure will walk you through the steps to accept your aid offer and how to finalize your award. Throughout, you’ll find many links to websites with additional information. We also invite you to call the Office of Student Financial Services at 253-535-7161 or email us at sfs@plu.edu if you have any questions.

SCHOLARSHIPS & GRANTS
Scholarships and grants are “gift assistance”, funds that you do not need to repay. Grants are generally need-based, while most scholarships are awarded for academic merit or artistic talent. Most scholarships require you to maintain a minimum GPA for renewal. All scholarships and grants not preceded with “Federal” or “State” are PLU funded awards.

All scholarships and grants on your aid offer were either pre-accepted or will be automatically updated to that status for you (Federal Pell Grant)

Take note of the steps you need to complete to ensure that these awards can be disbursed (paid) onto your student accounts.

For more information please visit: plu.edu/ scholarships.

WORK STUDY
An opportunity to earn a paycheck, working part-time (maximum of 19-20 hrs/wk) at an on or off campus job during the academic year, including summer.

STUDENT LOANS
The Federal Direct Loan is a low - interest, long - term loan that allows you to finance your education over an extended period of time. Interest rate is fixed and locked in every July 1, based on the 10-year Treasury Bill rate + 2.05%. Repayment begins six months after graduation or when you drop below half time enrollment. An origination fee of 1.059% is deducted from the loan prior to disbursement*.

Annual loan maximums are:
- $5,500 for first year students
- $6,500 for second year students
- $7,500 for third and fourth year students.

For more information, please visit plu.edu/loans

The PLU Pledge is a loan repayment assistance program, a safety net for incoming, first-year PLU students for the 2020-21 academic year. If, after graduation, a student is earning less than $45,000 per year, we will help repay their student (AND parent PLUS) loans.

For further information and details about this program, please visit plu.edu/plupledge.

You will be prompted to make a decision on the loans and work study that have been offered. You may select Accept, Decline, or Undecided. Once you have selected Submit Decision or Accept Full Amount All Awards, the screen will show the current status of your award.

The Federal Pell Grant cannot be accepted online. Student Financial Services will accept this fund once we have confirmed your eligibility with the U.S. Department of Education.

For financial aid policies and procedures, please see our 2020-21 Financial Aid Handbook at our homepage under Documents.

FINALIZING YOUR AWARD

1. If opting to borrow the Direct Loan, you must first:
   A. Go to Banner Self Service and accept the loan(s) you wish to borrow.
   B. Go to studentaid.gov and complete:
      1. Master Promissory Note (MPN)
      2. Entrance Counseling session

Please Note: The U.S. Department of Education deducts a loan origination fee of 1.059%* from the student loan proceeds prior to disbursing. If parents are choosing to borrow the Federal Parent PLUS Loan, they too, must complete the MPN (after July 1).

2. The Parent PLUS Loan origination fee* is 4.236%. A completed MPN and Entrance Counseling will not appear as satisfied in your Banner Self Service until sometime in July.

3. If you have been awarded the WA College Grant, you must complete the Student Directive for State Aid (plu.edu/student-financial-services/documents) before it will disburse.

4. If you have been selected for the Verification Process, go to your Banner Self Service account and download the appropriate Verification Worksheet. Provide the IRS tax information via the IRS Data Retrieval Tool link on the online FAFSA application. If unable to use the Data Retrieval Tool, submit a Tax Return Transcript (IRS.gov/individuals/get-transcript). If neither option is available, you may submit a signed copy of the original 2018 IRS tax return(s) submitted to the IRS.

Your award is not final and all need-based aid funds will not disburse until verification has been completed!

* Subject to change after Oct. 1, 2020

4. Federal or State Work Study is an opportunity to work on or off campus in a part-time job. Work Study will NOT reduce the amount you owe PLU, as jobs are not guaranteed and any earnings are paid directly to the student, to be spent at their own discretion.

Note: Paychecks for on campus employment can be auto-deposited into your checking account if you provide your banking information to our Business Office.

5. Billing will begin on a semester basis as charges are incurred for the term. If your financial aid is less than your semester charges, you have several payment options, which are described on our website under the “Payments” tab.

6. The fall semester bill will be mailed in late July, with a due date of August 25. Billing statements thereafter will be e-Bills. When setting up your Banner Self Service profile, be sure to include the email addresses of those persons (e.g. parents) who should receive your billing statements.

UNDERSTANDING WHAT YOUR FINANCIAL AID OFFER MEANS

1. The Center for Student Success (CSS) will contact you to set up a registration appointment for your fall semester classes during New Student Registration (NSR). Take the math placement exam at least 2 weeks prior to NSR (required for some majors), as well as the language placement evaluation if planning to continue a language at PLU.

2. To be eligible to register for classes:
   *Complete the 2020-21 Financial Agreement Form on Banner Self Service after your 18th birthday. If your 18th birthday will occur after NSR, your parent will need to complete the Parent/Legal Guardian Financial Agreement as you will still be a minor. After turning 18 years of age, you or your parent can contact the Business Office to amend the Student Financial Agreement, releasing your parent from financial responsibility regarding your obligation to PLU.
   *Complete the Meningococcal Acknowledgement Form on your Banner Self Service profile.
   *Submit the Medical History and Consent for Treatment Form to the PLU Health Services Office.

3. Cost Estimate Conversations: Your NSR schedule will include time to sit with a Student Financial Services Specialist to review your anticipated expenses and financial aid resources for fall semester, the academic year, and discuss payment plans and financing options. Remember, if selected for the Verification Process, your award is not final until verification has been completed. If completed after NSR and your award changes, our cost estimate at NSR may not be accurate. Complete the verification before NSR so we can provide the most accurate cost estimate possible.

4. You can begin looking for on- or off-campus jobs on the Student Employment website at Career Connections after May 31, 2020. You must bring government-issued picture ID and complete the Federal I-9 form at PLU before you can begin working on campus. For more information, go to: plu.edu/studentemployment.
