YONSEI UNIVERSITY Course Search Guide

Seoul Arts and Science Program

>>YOU MUST USE <u>INTERNET EXPLORER</u> WHEN USING ANY YONSEI UNIVERSITY PORTAL<<

All CIEE Seoul AS participants must complete their CIEE Course Selection task *and* register for courses through Yonsei University online.   In advance of the official Yonsei University course registration period, you can browse for courses and syllabi on Yonsei University's Portal.   You do not need a login/password to browse, but you will be given student login details for official registration.

Students are welcome to browse at any time but **Yonsei University only updates its course offerings about one month prior to the semester start**.   By browsing in advance, you can see the current semester or the prior spring/fall semester to get a sense of typical offerings. Of course, there is **no guarantee** that the same courses will be available during your semester. For those students needing course pre-approval from their home schools, CIEE recommends creating a list from what you find on the portal currently, and seeking home school approval for *more courses than you'll actually need* as back up, just in case all courses on your wish list aren't offered during your semester.

CIEE MINIMUM COURSE AND CREDIT REQUIREMENTS:

- You are required to take a minimum of 15 credits and may take up to 18 credits.

- Of those credits, at least one must be a 3-credit course related specifically to Korean Studies.

    - Examples include Korean language, Korean History, Korean Economics, Korean Cinema.

    - The CIEE Intercultural Communication and Leadership course can also satisfy this requirement. Please see below for further details.

- CIEE participants **cannot** take Pass/Fail courses.

IMPORTANT NOTES

1. **WHEN WILL I BE ABLE TO SEE THE COURSES AVAILABLE FOR MY STUDY ABROAD SEMESTER(S)?**
    a. Yonsei University's online course catalogue is updated in mid-to-late December with Spring semester courses, and in mid-to-late June/early July with Fall semester courses.
        i. Yonsei's online course catalogue refers to Spring semester as 'First Semester' and Fall as 'Second Semester,' since the Korean academic calendar is opposite of the American.
        ii. Most courses are only offered once an academic year (i.e. each Spring or each Fall semester); it is less likely that a course would be offered in back-to-back semesters.

2. **WHAT COURSES CAN I TAKE?**
    a. Yonsei offers nearly 1,000 courses taught in English and many of them are open to CIEE students in all departments <u>EXCEPT</u> **medicine**, **nursing**, **law**, **music**, and courses at the remote **International Songdo Campus** (reference code Ⓒ in the course catalogue.)
    b. You can also take courses designed for exchange/visiting students offered through the **Office of International Affairs** (course code IEE), and some courses

offered through the **Underwood International College** (UIC), though priority is given to students who are fully enrolled at UIC.

3. **I NEED TO TAKE <mark>BUSINESS</mark> CLASSES; ARE THEY COMPETITIVE?**
   a. Yes! Due to the high demand for business courses, those offered by the **School of Business** (course code BIZ) may be open to international students, but only to *Business Majors* (as designated in your Yonsei University online application). However, there are other business-related courses offered by the **College of Commerce and Economics** as well as the **Office of International Affairs**, which are available to ALL incoming exchange and visiting students without restrictions.

4. **I NEED TO TAKE <mark>SCIENCE</mark> CLASSES; ARE THEY AVAILABLE?**
   a. There are many science courses available. However, students are advised not to consider taking lower level (general and introductory) science courses because they tend to have a lab taught by a non-English-speaking TA and/or taught at a different campus and thus not open to CIEE students. There are many upper level science courses to choose from without labs. Be sure to check the syllabi for prerequisites.

5. **WHAT ARE MY OPTIONS FOR KOREAN LANGUAGE CLASSES?**
   a. CIEE participants can **elect** to take a Korean language course. There are two to choose from: a **6-credit intensive course** offered through the Korean Language Institute (course code: KLI) and a **3-credit less intensive course** offered through the Office of International Affairs (course code: IEE). The following describes the 2 courses:
      i. **6-credit KLI course**: Unlike other classes, it meets every day, Monday through Friday, 4 pm - 6 pm (periods 8 & 9), it is taught in Korean, and it carries 6 credits. Depending on the level, classes emphasize grammar, speaking and listening skills, basic writing skills, listening comprehension, and composition. Note: Beginning Korean language is 'KLI1001 Intensive Korean Language (Level 1)' and Advanced Korean language is 'KLI1006 Intensive Korean Language (Level 6). Students should register for whatever level they think they are and then, after taking the Language Placement Exam on the first day of classes, adjust their course in the Portal during the Drop/add period during the first week of classes. If a student enrolls in this class, they should be committed to attending class every day.
      ii. **3-credit course (IEE3341)**: The class meets twice a week and is taught in English. It emphasizes the development of basic communication skills.

6. **CAN I TAKE COURSES INSTRUCTED IN KOREAN?**
   a. Students with near-native Korean language skills may be able to take content courses taught in Korean. This requires proficiency in speaking and listening as well as being reading and writing literate. Depending on the course, you may also be required to have some knowledge of Chinese characters. To be successful, one must have a comprehension of university-level Korean. Non-native speakers of Korean should consult with the course professor on the first day of class to determine whether their Korean level is sufficient to keep up with the course.

>>YOU MUST USE <u>INTERNET EXPLORER</u> WHEN USING ANY YONSEI UNIVERSITY PORTAL<<

LET'S GET STARTED!

1. **I AM READY TO SEARCH FOR COURSES; WHERE DO I START?**
   a. Access the Yonsei University portal and course catalogue using **INTERNET EXPLORER** here: http://portal.yonsei.ac.kr/main/indexe.jsp
   b. Click "Course Catalogue and Syllabus: Undergraduate & Graduate".
   c. The actual portal will be a pop-up window (make sure pop-ups are allowed in your browser!). *If necessary, move the screen all the way to the right using the bottom scroll bar.* You should be able to see the words "Search All" with a box that says "Course Code"; and, to the far right the words "Search English Course" with a small magnifying glass. It will look something like the following:

   d. Make sure the Semester fields on the left side of the page say the year and semester for which you are searching courses.
      i. Remember that this *may* be a previous year depending on how far in advance you are searching for courses; see **IMPORTANT NOTE 1** above.
      ii. Remember that "1st semester" is Spring and "2nd semester" is fall; see **IMPORTANT NOTE 1** above.

2. **HOW DO I FIND COURSES THAT APPLY TO ME? (THERE ARE TWO WAYS):**
   a. Click on the small magnifying glass by the words "Search English Course" and all the courses taught in English will appear. The page will look like this:

i. Use the arrows at the bottom of the page by "1-15 of xx" to see more courses.
ii. **NOTE:** The small purple arrow beside the course title is the link to the **syllabus**. The syllabi often contain course descriptions and comments about **prerequisites** and **requirements**. Be sure to check for any prerequisites (i.e. having junior or senior standing, pre-requisite course requirements, having a certain major, etc.)
iii. **NOTE:** All courses taught in English have the reference code ②.

b. Choose a college by opening the drop-down menu that is defaulted to "UNIVERSITY COLLEGE". You should see options such as "College of Business" and "College of Liberal Arts." Select your college of choice and click the magnifying glass. Be sure to filter through the "Ref." column for courses marked with reference code ②**:**

    i. **NOTE:** "Study Abroad Course" is where many courses open to international students are located. You can also type "IEE" in the course code field for courses offered by the Office of International Affairs.

        1. For some colleges, (for example, "College of Engineering,") you can find more choices by using the drop down menu rather than the "Course Code" search field.

    ii. **NOTE:** In the drop down menu, **do not choose** "International Campus", "Exchange Course," and "International Education and Exchange." These are not available to CIEE students at the Seoul campus.

3. HOW DO I READ THE YONSEI CLASS TIME PERIOD IN THE PORTAL?

    a. If the portal lists a course as meeting **M1,2, T1**, it means the course meets every Monday **09 AM to 11 AM**, and **Tuesday 09 AM to 10 AM. If a course is listed as meeting M1, 2 (T1),** it means the course meets every Monday **09 AM to 11 AM**, and it has a lab on **Tuesday 09 AM to 10 AM; the parenthesis indicate a lab.** Please refer to the time table below, and note it is in [military time](#).

[M: Monday, T: Tuesday, W: Wednesday, Th: Thursday, F: Friday]

Days	Time Period	Real Class Time
Mon to Fri	1	0900-0950

5. WHAT IS THE ICL COURSE OFFERED THROUGH CIEE? HOW DO I REGISTER FOR IT?

    a. The Intercultural Communication and Leadership (ICL) course can be used to satisfy the CIEE program's Korean related course requirement.

        i. **NOTE:** This is NOT a Yonsei University course, and is NOT registered for during Yonsei Course Registration. You must pre-register with CIEE for this course prior to departure. There is a Course Selection task on your CIEE My Account To Do List, which correlates with the **COURSE INFORMATION READING** found on your account, too. The deadline to complete the Course Selection Task is in the **COURSE INFORMATION READING.** The Course Selection task requires you to select one of two options: Either to register for the 3-credit COMM 3301 KSEO - Intercultural Communication and Leadership course taught by the CIEE Program Coordinator OR 'Opt Out, Seoul – None of the Courses Above.'

        ii. The Intercultural Communication and Leadership (ICL) course develops students' skills, knowledge, and understanding that will help them communicate and engage more appropriately and effectively in Korea as well as in other intercultural contexts. Students will explore various topics in intercultural communication in the context of their experience abroad, and will practice intercultural learning processes that they can apply when working across difference in a wide variety of contexts. Participants will increase their own cultural self-awareness and develop personal leadership skills to help them become more effective in an interdependent world. Learning will involve in-class exercises, active reflection, discussion, readings, field reports, short lectures, and out-of-class activities that engage students in the local culture on a deeper level. At the end of the course, each successful participant will receive a **CIEE CERTIFICATE OF ACHIEVEMENT IN INTERCULTURAL EDUCATION (CAIE).** Listing this certificate on your resume will help differentiate you from other candidates during future job interviews. There are no pre-requisites; all you need is an interest in international culture, intercultural communications, and Korean culture and society.
