- Global Scholar Award eligible

SPECIAL NOTE

Optional add on: PHED 276: Special topics in Physical Activity (1 credit) associated

PROGRAM OVERVIEW

Commonwealth? Freely Associated State? US Colony? What exactly is Puerto Rico? In this program, you will seek answers to these questions and explore Puerto Rico's complex relationship with the United States both inside and outside of the classroom. With its fascinating mix of Indigenous, Spanish, African, and North American influences, Puerto Rico is an ideal study away site for students interested in Spanish, Caribbean, Afro-Latinx, and Diaspora Studies.

This program will provide you with the opportunity to practice your Spanish language skills—all day, every day—at the same time as immersing yourself in Puerto Rican culture. In addition to your language class, you'll participate in service learning opportunities, explore the city of San Juan, and attend workshops on Puerto Rican culture, politics, history, and society. Finally, through excursions outside the capital, you'll learn about this island nation's unique historical past and present, and rich biodiversity.
