COURSE OVERVIEW

The Uruguay Program provides an academic experience that links language study with learning about Uruguayan culture and society, preparing students to meet the Hispanic and Latino Studies Program learning outcomes. The program aims at expanding students' knowledge about the Hispanic-speaking world by exposing students to the variety of Spanish spoken in the Rio de la Plata region and by providing opportunities to attend lectures on Uruguayan current political and social issues. Additionally, the experience of home-stay and structured experiential learning opportunities will allow students to become familiar with Uruguayan contemporary social struggles as well as with its progressive agenda in terms of gender-related legislation. By participating in excursions outside the capital students will learn of Uruguay's unique historical past and present.
