Thank you for taking the time to meet with this student and complete this form. The student has received a travel health consultation for their intended study away program and they are being referred for an additional consultation prior to travel. Living and studying in an unfamiliar environment can trigger physical and emotional stress and exacerbate current health issues. Familiar or reliable healthcare or medications might not be readily available to the student in their host country.

Student Name (print) _____

You are asked to:

- Discuss the student's healthcare needs with them in light of how it may affect their study away experience.
- If applicable, discuss prescription availability and medication plan with student.
- If applicable, collaborate with the student to complete a written Self-Care Plan and identify with whom the student may need to share their plan. Please indicate "N/A" as necessary.

Check one: ☐ PLU Counseling Center ☐ Non-PLU mental health provider
